

Future In Children's Hands

Informal Education as tool for social change

11th Hands On! Conference

October 11th–14th, 2017, Czech Republic

Exhibitor's Information 2017

Hands On! International is delighted to invite exhibitors and museum related enterprises to participate in the market bistro of this year's conference from 11th to 13th October in the Czech Republic.

The conference attracts museum professionals and companies from over 20 different countries, who dedicate their professional lives to create modern, hands-on focused children's exhibitions and programs. This environment offers the perfect platform to engage with costumers and potential business partners, present your brands and products and to find out about new trends.

About the Conference:

This year, we present a unique travelling conference to discover the latest developments in children's education in museums and science centers, while visiting three historical cities.

Together we will explore subjects such as the impact of digital technology, child development through art, storytelling and play, and the future of museums as places of social engagement.

Exhibition Dates:

Wed 11th October: 08:30 – 17:00 (Pilsen)

Thu 12th October: 10:30- 19:00 (Pisek)
